Facial Treatments

Barrier Repair & Relax *(60 min)* **$85**

Designed for skin that's stressed or delicate, this corrective facial triple- targets sensitivities, and nourishes skin's barrier with with active strengtheners - as calming acupressure massage movements alleviate tension, reduce facial strain and melt away stress.

Firm & Lift *(60 min)* **$85**

Lifts and sculpts the look of aging, sagging skin with a gravity-defying clinical power mask, plus youth-renewing massage movements to target dermal tissue, aid toxin removal, and increase lymphatic activity. In three corrective activity tiers designed to deliver personalized results with increasing levels of active enzymes. Recommended to be experienced in a facial series for optimal visible results

When in Doubt, Glow w/C *(60 min)* **$85**

A purifying treatment to renew skin that's dull, tired, sluggish, clogged or prematurely aging - with purified hydrogen peroxide, brightening vitamin C and a duo of glow-getting massage techniques. In three corrective activity tiers designed to deliver personalized results with increasing levels of oxygenating exfoliation.

Custom Blend Facial *(60 min)* **$85**

There's no facial more personalized than this. A thorough Bioelements SkinReading will identify your unique concerns, followed by invigorating cleansing, tailored exfoliation and aromatherapeutic facial massage, plus a power treatment and mask custom blended in-treatment with concentrated ingredients to target your skin's individual needs. In three corrective activity tiers designed to deliver personalized results with increasing levels of active enzymes.

Gentlemen's Facial *(60 min)* **$75**

Designed for men's skin needs – including bearded skin, this customized treatment includes deep cleansing and exfoliation to target dullness, breakouts or ingrown hairs. A custom blended power mask will be applied to soothe, hydrate and brighten the skin. All this, plus a relaxing massage of the face and neck. In three corrective activity tiers designed to deliver personalized results with active enzymes.

Tween to Teen Faial *(60 min)* **$75**
